To

The Municipal Engineer,
Station Municipality,
BANGALORE.

Sir,

Subject:- Construction of quarters for Lady Assistant Surgeons etc., in Lady Curzon Hospital.

Sir,

With reference to your reply to item No.9 of the Audit Officer's Audit notes for July 1929, I have the honor to state that the amount of the estimate sanctioned by the Government of India in Memo No.F 18(1) A-28 dated the 17th October 1928 is Rs.23149/- (Cost of work Rs.20577/- and supervision charges Rs.2572/-) The expenditure on the work is anticipated to be as follows:

Tender accepted	=	Rs.20,000
Other items.	=	" 1,973
12½% Supervision.	=	" 2,747
		24,720

There would thus be an excess of Rs.1571/- over the amount originally sanctioned by the Government of India. The revised sanction of the Government of India would be necessary for the excess and it may kindly be obtained.

I have the honor to be,
Sir,
Your most obedient servant,
Sd/- S. Kuppuswami.

vdv. PAY AND ACCOUNTS OFFICER.

Copy to the Secretary to the Resident, Bangalore for information with a copy of the Audit Officer's audit note and the Municipal Engineer's reply thereon.

Extract of item 9 of Audit notes for July 1929.

"Converting the Lady Assistant Surgeon's quarters into Sister's quarters etc., in Lady Curzon Hospital. Sanctioned estimate less supervision charges Rs.20577/-. The tender accepted in respect of work estimated to cost Rs.18,604/- is for Rs.20,000/-. Please state whether any savings are anticipated on other items to cover the excess".

Executive Engineer's reply to above.

"Savings are not anticipated and the sanction of the competent authority will be obtained for the excess over the sanctioned estimate in due course".

*No. F. 226-A/30, dated the 24th June, 1930, from the Govt. of India, Foreign and Political Dept.

(1) to the Municipal Executive Engineer, C and M Station, Bangalore, for information, with reference to his letter No.C.W.M.92, dated the 6th May, 1930.

2. The revised estimate which was submitted to the Govt. of India has not been returned by them.

(2) to the Pay and Accounts Officer ---------- Audit Officer, Experiments, Bangalore, for information.

For Secretary to the Resident

1212—16-8-1929—5,000—EPB.

Original in S.N. 13/208-1930.
(Budget file).

Copy of a letter No.R/2379/28., dated the 10th September'30, from the President, Municipal Commission, C & M Station, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore.

S.N.32 (A) With reference to my letter No.R.2379 dated the 12th January 1928 submitting estimates and plans for (1) a complete underground sewerage scheme for a portion of Blackpally amounting to Rs.61975/ and (2) laying 12" diameter glazed stoneware pipeline from the well in Doddigunta Grass Farm to general bazaar and Ulsoor main sewer amounting to Rs.38025/- and Memo No.18-A/28., dated the 26th March S.N.52 1928 from the Assistant Secretary to the Government of India in the Foreign and Political Department, New Delhi, to the Hon'ble the Resident in Mysore according administraive approval of the Government of India to the above mentioned project at an estimated cost of one lakh, I have the honour to state that works on both the above mentioned schemes are well in hand and will be completed within the next 6 or 7 months. The Municipal Commission have budgeted for further expenditure of Rs.30000/- on underground sewerage in the Station for the current year, and detailed estimates and plans have been and are still being prepared for carrying out urgent schemes in various parts of the Station, being part of the main scheme prepared by the Executive Engineer and approved by the Commission and Government of India. The application of the underground drainage system to the bazaar areas has passed the experimental stage and its merits have been realized by not only the better and educated classes but also by the working classes living in the slums. It is therefor most desirable in the interests of the health of the Station that this system of drainage should be extended to all parts of the bazaar areas. The Municipality on their part will do all in their power and provide as much funds as possible annually for extending the scheme but without a substantial Government grant, it is not possible to push the scheme as quickly as it should be done. I therefor request that the Hon'ble the Resident be pleased to address the Government of India for an annual grant of Rupees one lakh from the Assigned Tract Revenue for the next fi

estimates can be submitted annually for approval of Government of India if so desired.

No. 9149
143 of 1926.

From

Major G. Loch,

Secretary to the Resident in Mysore.

To

The President, Municipal Commission,

Civil and Military Station, Bangalore.

Dated Bangalore, the 29th November, 1930.

Grant-in-aid to the Municipal Commission for the introduction of under-ground sewers in the Civil and Military Station, Bangalore.

Sir,

S.N./01 I am directed to refer to your letter No.R/2379/28, dated the 10th September, 1930, and to inform you that a sum of Rs.1,00,000/- has been shown in the statement of new items forwarded to the Government of India, for inclusion in the budget estimates of the Civil and Military Station, Bangalore for 1931-32, on account of grant-in-aid to the Municipal Commission for the introduction of under-ground sewers in the Civil and Military Station, Bangalore.

S.N-702 2. The Government of India, however, have replied that it is necessary that detailed estimates for the above mentioned project should be submitted for technical scrutiny of the Government before provision is made for the expenditure in the budget estimates. As it is now too late for this action to be taken in time to include provision in the budget for 1931-32, I am to request that estimates and plans of the proposed extension, together with the plans of the scheme already sanctioned, may be submitted to this Residency as early as possible, with a view to getting the scheme ready for inclusion in the estimates for 1932-33.

3. As the accumulated surpluses are not sufficient to bear

this

this demand annually for 5 years the Hon'ble the Resident is not in a position to make any promise to the Municipal Commission, but he hopes that it will be possible to carry out the scheme as and when funds may from time to time become available.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Municipal Commission.

Executive Engineer's Note No.R.1551, dated the 17th January 1931.

Sewage and storn water are both carried in the covered storm water drain along Commissariat Road and the open sullage drain connection are not trapped, with the result that a considerable amount of sewer gas escapes through these connections resulting in an intolerable nuisance to the neighbourhood. It is proposed to lay a 12" in diameter glazed stoneware pipe from the end of the pipe sewer on Commissariat Road to the Victoria Road Grass Farm as indicated in accompanying diagram. Necessary manholes trapped silt pits and storm water overflows have been provided as shown in diagram. All storm water will be carried in the present combined drain.

The total estimate amounts to Rs.4,550/- and funds are available for the work, as Contractor's tender rates for underground drainage work in Blackpally are very much below the estimated amounts.

To

The President, Municipal -------
Commission, Civil and Military
Station, Bangalore.

Subject:- Laying a 12" in diameter ----
glazed stoneware pipe drain along -----
Commissariat Road from Workshop compound
to the Military Grass Farm.

Sir, 2

I am directed to refer to your letter No. 408/31, dated the 5th ----- February, 1931, and to inform you that the Hon'ble the Resident is pleased to sanction the proposal of the Municipal Commission, Civil and Military Station, Bangalore, to utilize the anticipated savings of Rs. 4,550/- under the ----- Blackpally underground drainage work for laying a 12" in diameter glazed stoneware pipe drain along Commissariat Road, from Workshop compound to the Military Grass Farm.

2. No reappropriation of funds is necessary as the expenditure will be debited to the same head as Blackpalli drainage scheme viz., "I-Service ----- Account-D-Public Health (ii)Water --- supply and drainage-Capital-3-Drainage
